Cornel, Marinela, Rebeca, and Emanuel Constantin were baptized Sunday morning, December 4<sup>th</sup>, to the glory and praise of Jesus Christ!

Please pray for five others in the Constantine family, as Bro. Chandler leads them toward scriptural baptism. They are very interested in Bible study, and have opened their home to be a place of prayer, worship and study. Bro. Cornel has a great burden for his village of Budila to know the Lord, and His truth.

We will board a plane tomorrow for our journey to the States. We thank God for all of you. Your prayers and support have brought God's power into focus to make this ministry happen.

ALL GLORY TO GOD!
