Changing the Hearts of Romanians from the Heart of Romania

## July Report 2009

We are presently in the States. We returned in June in time to attend the ABA meeting in Springfield, Missouri. We appreciate each one who came by and visited with us at our booth. It was a great blessing to share what God is doing in Romania with you. Kim and I will be reporting among the Churches for the next few months.

### WHAT'S GOING ON IN ROMANIA?

The Churches have been busy with VBS in Feldioara, Zarnesti and Harman, and are preparing for another VBS in the village of Podul Olt. **Bro. Johnny, Pastor in Feldioara, reported that they had three saved during one of their Sunday services this past month.** Bro. Luci, Pastor in Brasov reported great services in Brasov. Bro. Luci has also been leading out in the work in Zarnesti while Bro. Jim Black is in the States. They are now making preparations for their Teen, Children's and Adult Camps that will be coming up the first part of August.

### SPECIAL NEED!

I reported in my last Newsletter concerning the many construction projects that Bro. Jim Black and I have going on. We have been working on renovating the building in Feldioara. We still have much to do there. Soon we will be starting to work on the Brasov Building. It is of necessity that we help them put on a new roof, and they also need new windows, doors and insulation. Jim and I have figured the cost of the roof which will be the first priority. **We will need approximately \$35,000 to complete the roof project.** The building is large. It houses the Brasov church, the Pastor's apartment, the Foster Children's Home, and our Romania Bible Institute. One reason for the expense is that there will be some major structure changes that need to be made to the roof. We plan to start the first phase of this project this summer. **We ask you to prayerfully consider this need.** If you would like to help us with this great need, please designate offerings for "building project" and send them to our Sending Church.
