

FAITH ROMANIAN MISSIONS

March 5, 2006

FROM THE WESTBROOKS

Thank God for fur-lough! In January and February, God has blessed us with time to enjoy our precious family, and church family. On the weekends we have been visiting in the services of supporting churches around Arkansas, and making reports of the work the Lord has done in Romania during the last two years. The response has been wonderfully encouraging, as the churches have expressed their love and support in so many ways.

In our audio-visual presentation, I mention

the need for quality musical instruments to be used in the Lord's work

in Romania. In response, some wonderful folks at Fairplay Baptist Church in Benton donated three brand new guitars and three new mandolins. We received another fine quality guitar from Hickory Plains Baptist Church. What a blessing! Thank you folks so much, for being channels of God's blessed provision.

The Missions Conference held here at Faith Baptist in Cabot the last week of February was a great, great time of spiritual renewal for us. The folks at Faith did a marvelous job of making us, and all the attending missionaries feel special and loved. The music, the messages, and the fellowship were just the connections we needed to recharge our spiritual batteries.

We are now in the midst of the second week of the Macedonian

Missionary Training Conference at Faith Baptist of North Little Rock, enjoying the study, and the wonderful fellowship of old and new friends among the missionaries.

Please note this special need: Bro. Leon Jasper, led the Macedonian Missionary Service under East Sommerset Baptist Church to purchase and deliver a beautiful 2004 Ford 15 passenger van to our ministry in Brasov, last July. That van has been paid down from \$23,000. to \$6,000, and we are praying that this balance will quickly be paid, so that Macedo-

The Work

We rejoice that our attendances have held up and even increased during a bitter cold winter. With temperatures as low as -15 F, it has made life a challenge. We praise the Lord for His care over us. There have been over sixty deaths reported here in Romania due to the cold. Our water was off for over two weeks due to a main water pipe frozen in our section of town. We managed fine by carrying water up the hill from creek to bathe, melting snow to flush the toilets and carrying drinking water from a nearby spring fountain. This gave me the occasion to tell Suzanna and Amy how good they have had it and remind them once again how hard it was when I was growing up. (You know the story... walked seven miles to school in the snow, all year round, up hill both ways and was grateful just to be alive.) Their response was "yeah Dad we've heard it all before." We thank the Lord for the opportunity to work in His Vineyard.
