We rejoice that God continues to bless the Churches with increased attendance. We enjoyed a great day of fellowship at Brasov on Easter. People from Brasov, Feldioara, Harman and Zarnesti were present. Bro. Jim Black and I grilled for about two and half hours straight, and we had a great time of fellowship!

Construction Projects

The last couple months have been busy with construction renovating the Feldioara Church building, which has been in need of many repairs. Our goal is to improve all our Church facilities so that they can be more easily maintained by the individual Churches. Bro. Jim Black has been a tremendous blessing in leading out in these construction endeavors. He has been a great addition to our team here in Brasov. We need funds to do these renovations. If you would like to help, you can designate offerings for the "Church building projects" and send them to Faith Baptist Church in Cabot, Arkansas. Improvements include new windows and doors, insulation, stucco, new roofs, repairing interior walls with sheet rock and adding new heating systems where needed. We have already replaced the heating system in the Brasov building but still need new systems in the Feldioara and Zarnesti buildings. Bro. Jim and I will soon have some projected cost figures for these renovations. We ask you to prayerfully consider helping us with these projects. Also this past month, we had a work day at the Church Camp to help get it ready for this camping season. We replaced some rotten boards on the porch and stairs.

Ministry Truck Note Is Paid in Full!

It is with great joy that I report that the \$16,500 bank note on the 2006 Dodge 4x4 that we bought and shipped to Romania has been fully paid. We thank each Church and individual who has contributed to this need. God blessed in that it was paid off in less time than the one year note. The truck has been a great blessing for the use of transportation and hauling many construction materials during all the building projects. Again, thank you very much!
